

Accueil-studio 2025

Intended as a place for creating, sharing and supporting dance projects, the CCNR provides artistic teams with resources and spaces. This policy implies a selection process guided above all by the search for high-quality artistic approaches and diverse writing.

Every year, the Accueil-studio program grants selected projects a co-production budget and a residency at the CCNR dance studio or at partner venues in the Lyon metropolitan area (subject to availability).

For Accueil-studio 2025 requests, please send the following information:

- Presentation of the creation for which the application is made;
- Presentation of the company;
- Project budget;
- Provisional schedule for creation and, if applicable, production (including date and venue of premiere);
- [Download the form here](#), complete it and send it in EXCEL format.

Before midnight March 29, 2024

By email to: accueil.studio@ccnr.fr
(indicate in the subject line: application for residence 2025)
